Please read the excerpt “The Code for Living,” from the book, *Winning More Than the Game*, by Fred Northrup.

The Code – Life Principles Learned Through Sports

Because I am a role model and have the opportunity and responsibility to make a difference in the lives of others, I commit to this Code. I will take responsibility and appropriate actions when I fail to live up to it.

1) As an Individual:

- I will develop my skills to the best of my ability and give my best effort in practice and competition.
- I will compete within the spirit and letter of the rules of my sport.
- I will respect the dignity of every human being, and will not be abusive or dehumanizing of anyone either as an athlete or as a fan.

2) As a Member of a Team:

- I will place team goals ahead of personal goals.
- I will be a positive influence on the relationships on the team.
- I will follow the team rules established by the coach.

3) As a Member of Society:

- I will display caring and honorable behavior off the field and be a positive influence in my community and world.
- I will give of my time, skills, and money as I am able for the betterment of my community and world.

Briefly detail a unique personal reflection that focuses on one of the three parts of the code above. Your response may involve yourself, another individual(s), or an experience during your high school career.
